

Villa Sabella

Region: Santo Antonio Resort **Sleeps: 8**

Overview

Located on two plots, this grand, deluxe villa is the most desirable and largest property set on Santo Antonio Resort. With a spacious terrace, large grounds and hugely impressive interior, there is no property as luxurious as this on the whole resort.

Two elegant stair cases lead down from the villa balcony to the pool terrace area, where space is in abundance. Sun loungers can be decked around the glorious pool, offering views of the countryside and the golf course. The villa provides a barbecue on hand, and with outdoor dining facilities as well, why not enjoy your lunch or dinner al fresco? The pool has a separate jacuzzi facility to it as well, providing a nice place to unwind with a cool glass of something.

The interior of the villa is just as impressive as the exterior. Modern furnishings and contemporary decor create a feeling of class and luxury throughout. With four exceptional bedrooms, you will be amazed at the size of this property for just eight people!

Children and adults alike will be entertained in the games room, which is stocked with a Playstation, table football and a Wii, and a 42 inch plasma TV in the main lounge to boot.

The resort centre is not too far from this villa, giving you convenient access to the spa, communal pools, kids' club and the sports facilities too. Whatever you want from your holiday, this villa will be able to provide it!

Location & Local Information

The properties are all located on Santo Antonio Resort in the West of the Algarve and are a short drive from the resort centre. As well as the wealth of facilities and activities available on this holiday resort, there is plenty to be discovered in the local area.

A short drive from the resort down to the sea brings you to the charming coastal village of Salema. Here you will find a small sandy beach and little boutique shops and restaurants, among cobbled streets, which sell the freshest catch of the day.

Further along the coast is the town of Sagres, which is not only famed for the town that produces the Portuguese beer of the same name but also for windsurfing, where surfers enjoy the breeze and the sea currents to good effect.

Please note that at certain times of the year, not all facilities may be available at Santo Antonio Resort.
